<<Sickness & Make-up Policy Reminder>>

Student Class Make-up Policy

If you miss a class due to illness or vacation, or we are closed due to a holiday, you may make up the missed lesson within 4 weeks of the absence. This is a great opportunity to try a new class that you've been interested in, or take a class that is similar to your regular class. Ask your teacher or desk staff which class to take a make up lesson in. Students and or parents must call and prearrange a make-up class.

Student Sickness Policy

If your child has a temperature of 100 or more or any symptom of a contagious disease or infection (ie. Green nasal drainage), you must not bring your child to MFA Studios. We also ask that your child remain at home at least 24 hours such an illness has occurred.

Please familiarize yourself with these important studio policies which are a part of the contract you signed when you registered for classes at MFA Studios.
